

## Associate Director Transportation & Logistics

Serving a diverse, multicultural urban centre, Surrey Schools is a progressive district offering a broad range of innovative programs and services to support the learning of our students and staff. We are the largest school district in British Columbia with over 74,000 students, 12,000 staff and an annual operating and capital budget of over \$900 million. We are proud of our multiple awards including BC's Top Employers 2022 and Canada's Greenest Employers 2022.

Reporting to the Director of Facilities & Transportation Services, the Associate Director is responsible for the following areas: student bussing, transportation (materials and equipment), fleet maintenance, warehouse operations, custodial services, and office systems support. As a key member of the leadership team, the Associate Director works collaboratively and proactively with both the Facilities & Transportation Services team and with schools and departments across the district. The Associate Director leads a large team of management and technical staff in various roles in an evolving organizational environment.

The ideal candidate will hold a degree in business administration or operations management or possess an equivalent combination of post secondary training and experience. Managing logistical operations, large budgets and complex personnel issues are part of the role description. An excellent record of achievement as a strong, innovative leader in a similar role is required. Outstanding interpersonal and communication skills, and 10 years' relevant experience will be necessary to enable the successful candidate to fulfill this role.

Surrey Schools offers an attractive salary and benefits package.
