

## TRA 23-01 - Supply and Delivery of School Buses - Specification - Additional Information

| <b>Dynamic Specialty Vehicles</b> |                                    |  |
|-----------------------------------|------------------------------------|--|
| <b><u>Submission 1</u></b>        |                                    |  |
| <b><u>Line Item</u></b>           | <b><u>Bus Type</u></b>             | <b><u>Additional Information</u></b>   |
| 1                                 | Type C-Propane                     | Dynamic Specialty Vehicles will continue its Propane Demo Bus Program. Please contact Margarita Natavio at Dynamic for details and how to participate in our Propane Demo Bus Program. margarita@dynamicspecialty.com  |
| 2                                 | Type C-Gas<br>Type C-Propane       | School Districts may opt to be a Ford Warranty Centre through Dynamic Specialty Vehicles. This provides School Districts with a discount on all Ford parts for all Ford models and billable labour for any warranty work. This is applicable for Yellow School Buses and White Fleet and provides significant savings on parts and revenue on labour. Please contact Margarita Natavio at Dynamic for more details. margarita@dynamicspecialty.com |
| 3                                 | Type D-Electric                    | The Blue Bird Type D Electric Bus is not equipped with a fuel fired heater and is most suitable for areas in the lower mainland.   |
| 4                                 | Type C-Electric<br>Type D-Electric | Leasing option an alternative to the upfront capital costs of direct purchase. Customers can lease electric school buses related charging infrastructure and energy management software for an attractive flat monthly fee. Contact Margarita Natavio at Dynamic for more information. margarita@dynamicspecialty.com  |
| 5                                 | All Bus Types                      | Please see the Options Brochures.pdf for details on all options (Cameras GPS Safety products) and features (Seats Lift etc.) requested.  |
