

Electrum Charger Management Platform

Platform Fees

- There are no set-up fees for the charger management platform.
- If a location decides to charge the end user a charging session fee, Electrum charges 30% of the usage session. If charger is not in use, then there is no fee.
- Alternatively, if there are no fees to the end user for the charging session, the fee to use the charger management platform is as follows:

Annual Subscription Fee (ASF)

Level 2 No. of Chargers	By Site Owner ASF/Charger
1 - 25	\$140
26 - 50	\$120
51 - 75	\$105
76-100	\$95
101+	\$80
DCFC No. of Chargers	
1	\$900
