About Qualicum School District

Qualicum School District is centrally situated on east Vancouver Island and covers the area of Nanoose Bay to Bowser and spans from Errington across the Strait of Georgia to Lasqueti Island. We serve a student population of approximately 4700 students. Qualicum School District consists of eight elementary schools (Grades K-7), two secondary schools (Grade 8-12), an alternate school (PASS/Woodwinds) and a Distributed Learning program to support home-learning families called the Collaborative Education Alternative Program (CEAP). False Bay School on Lasqueti Island is entirely off-grid with an immense solar project recently completed. Qualicum School District also embraces many community organizations through various school programs. The area's natural beauty, never-ending beaches, mild climate and small-town charm make it a popular tourist destination and a great opportunity to have a career in paradise.
